

# Prone-Safe Face Cushion

- ✓ Only Face Cushion to fit perfectly into the **Allen Medical C-Prone Head Positioner**
- ✓ Avoid pressure related injuries to the chin area
- ✓ Based on the Absolute Prone Face Cushion which has been used in over 250,000 procedures with **ZERO** adverse incidents
- ✓ Available in both **Large** and **Small** size to maximise comfort and reduce the likelihood of adverse incidents

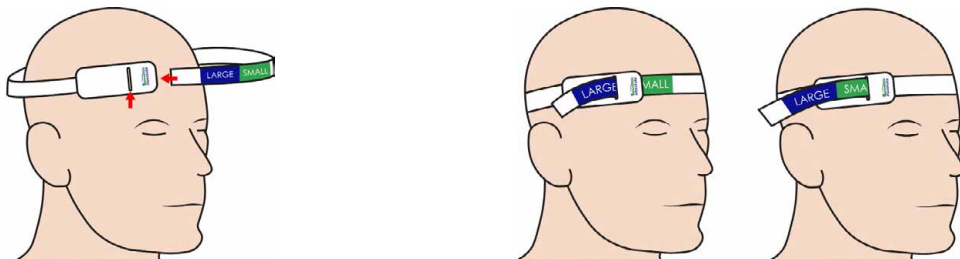

## Product Code: Large (CL-20) / Small (CS-20)

Unlike other supports currently available, the Prone-Safe Face Cushion is specially contoured to your patient's face. The unique shape of the support reduces the likelihood of pressure related injuries to your patient, which can be common especially around the chin area.

The NEW Absolute **Prone-Safe Face Cushion** is available in **Large** and **Small**.

## Head Measuring Band

Absolute is the only manufacturer worldwide that supplies a Head Measuring Band to help clinicians select the right size.

No Guessing! Always use the Absolute Head Measuring Band to decide which size Prone Face Cushion is right for your patient.

*Absolute Head Measuring Bands are available on request.*
