## UNTREATED DISPOSABLE CURTAINS

Endurocide® Untreated Disposable Curtains make a low cost way to introduce disposable curtains to your hospital and are an ideal alternative to traditional laundered cotton/polyester curtains.

Hygienic Endurocide® Untreated Disposable Curtains are perfect for use in low risk areas, or areas which have a high patient turn-over.

- > Economical
- > Lightweight & fitted in minutes
- > Made from 100% polypropylene
- > Fully recyclable
- > No laundry costs
- > Included sewn on tie-back
- > Fitted with permanently attached installation date & privacy labels
- > Fully flame retardant to European Standard BS 5867 Part 2 Type C 2008
- > Make an ideal back-up stock product for emergency infection outbreaks

# TWO curtain types

**1** Standard

**6** Teal

# THREE standard widths

	<b>1</b> Standard	<b>2</b> Mesh-top
Height	2.0m (78.7")	2.55m (100.4") <small>includes 0.55m (21.7") mesh</small>
Full width	7.5m (295.3")	7.5m (295.3")
Medium width	5.55m (218.5")	5.55m (218.5")
Half width	3.75m (147.6")	3.75m (147.6")
Pleat width	0.15m (5.9")	0.15m (5.9")

Other sizes and colours are available on request.

# FIVE hanging systems

1

## Universal eyelets

For use with customer's own hangings systems, ie no hooks supplied.

2

## Quick-Fit

One-piece hooks, pre-fitted onto curtains, allow quick and easy fitting onto track.

3

## Wheeled

Includes integral wheels for smoother movement (two widths available).

4

## U-type

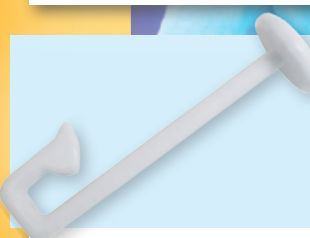

Hooks designed to fit on existing U-Type track systems.

5

## Large-top

Similar to our Quick-Fit hook but with a larger head to fit wider channels.

Endurocide® Untreated Curtains should be replaced every 3 months or when visibly soiled. Length of curtain use will depend on individual hospital practices and the risk of the curtain soiling from blood, urine and general spillage. Timescales are given as guidelines only.

Other sizes, colours and fittings are available on request - please contact Bio Technics for more details. MOQs may apply.

For further information and details on how to order, please refer to the 'Endurocide® Curtains Buyer's Guide'.

Endurocide® Infection Control is a Trademarked Division of Bio Technics Ltd, based in Scotland, UK.
